**FOR IMMEDIATE RELEASE**

## **PRESS RELEASE**

### **Execulink Lowers Prices on Wholesale Internet Plans**

**Woodstock, ON – October 11, 2019** – Execulink Telecom is excited to announce they are lowering their prices on most wholesale Internet plans! To give customers an even better experience, all plans will now include Unlimited usage with no activation fees.

“We believe that all of our customers – new and existing - deserve an awesome experience!” Said Ian Stevens, President and CEO of Execulink Telecom, “Execulink is continually looking for ways to improve our services across the board, by staying competitive and giving back to our loyal customer base.”

Many current wholesale Internet customers can expect to receive good news that they are getting a speed or usage upgrade or that their monthly bill is going down.

Last month, Execulink also introduced new and improved Internet packages to their own Fibre and Cable infrastructure areas.

#### **About Execulink Telecom**

In operation since 1904, Execulink Telecom has evolved from a small independent local telephone company into one of the leading telecommunications providers in Ontario. Through innovation and forward-thinking, we cultivated our local telephony offerings to provide a full-scale suite of telecommunications services including data, internet, television, mobility and advanced voice features. These services are now available to all levels of industry, encompassing 50,000 business, enterprise, government, and residential customers.
