

Execulink Telecom Hosts Ingersoll Sales Centre Opening!

(Woodstock, ON) May 31, 2022 – Execulink Telecom recently opened its new Ingersoll location at 45 King St. E. and is celebrating with a Grand Opening on Tuesday, June 7th from 2 pm – 6 pm. Local dignitaries, including Mayor Ted Comiskey and Chamber President Adam Funnell, along with Execulink CEO Ian Stevens will be attending the celebration. As part of the festivities Heavenly Sweets will be on hand serving up tasty treats and there will be plenty of chances to win great prizes.

Ian Stevens, President and CEO of Execulink Telecom says, “We are proud to have serviced Ingersoll as an Internet Service Provider for over 25 years and to bring Fibre to this community. Ingersoll’s commitment to progressiveness fits our goal to build connected communities and is another excellent choice for introducing new technological advancements that have become even more in demand in recent years. Our mission is to bring residents and business owners the superior telecom experience they deserve and improve the day-to-day lives of the local growing community with our Fibre services.”

Ted Comiskey, Mayor of Ingersoll says, "On behalf of the Town of Ingersoll I would like to welcome Execulink to their new location in our beautiful Downtown. Execulink has invested heavily in the future of the Town through installing Fibre services throughout Ingersoll connecting our businesses and residents to the world. We congratulate Execulink on opening an office in our Downtown to serve their current and future customers. We look forward to Execulink being a part of Ingersoll’s exciting future!"

Construction has already begun to homes and businesses on the East side of Ingersoll and Execulink is working to develop maps and timelines for the remainder of the community. Installations are anticipated to begin later this summer. Once the project is complete, customers will have access to lightning-fast Internet, crystal-clear TV and reliable Home Phone solutions.

Fibre is the delivery of a communications signal over optical fibre. In comparison with other methods of delivery, Fibre’s underground infrastructure is unaffected by weather and allows for reliable TV and Phone services, with some of the fastest Internet speeds in Ontario. Customers can look forward to enjoying blazing-fast Internet speeds up to 1 Gbps.

Execulink Telecom has been servicing Oxford County for over 100 years and continues to bring Fibre to neighboring communities in the area. Residents are encouraged to call 1-866-765-2282 to sign up. For more information, please visit fibre.execulink.ca.

About Execulink Telecom In operation since 1904, Execulink Telecom has evolved from a small independent local telephone company into one of the leading telecommunications providers in Ontario. Through innovation and forward-thinking, we cultivated our local telephony offerings to provide a fullscale suite of telecommunications services including data, internet, television, mobility and advanced voice features. These services are now available to all levels of industry, encompassing 50,000 business, enterprise, government, and residential customers.
